Svensk Certifiering Norden AB certifies that the environmental management system has been reviewed and complies with:

ISO 14001:2015

Details of scope and the range of the certificate are defined in the certification decision.

The management system covers:

Technical commissioned activities, marine service & construction, naval work with marine resources, survey of ships through ship diving, dredging, sale of specific foundations for offshore wind turbines and development of computer programs with a marine connection.

Michael Persaud, CEO
